

The education & travel experts

Your school trip planning guide

Hellenthal & the Rhineland

You can trust us to deliver

Voyager School Travel has specialised in educational trips for over 10 years & we are trusted with the travel plans of more than 35,000 students each year

We know that teachers' lives are demanding enough without the responsibility of running a school trip—so we'll use our considerable experience to support you before, during and after

Uniquely immersive experiences

Our own highly trained native-speaking staff deliver an immersive learning programme that creates more educational outcomes than trips with other providers

Our own residential centres

Our European residential centres offer your group the highest quality instruction and care—which is why 85% of school groups return to our centres each year

Travel on our own coaches

The majority of groups travel with our specialist coach company, Pegasus Coaches, for a comfortable and reliable journey headed by our team of highly-rated drivers

Safe & financially protected

We maintain the highest safety standards as an assured member of the School Travel Forum. Our ABTA and ATOL member status means your booking is financially protected

How to book a school trip

Planning a school trip can feel daunting, that's why we aim to make the process as stress-free as possible.

Here's what to expect at every stage of your booking, from quote to departure.

We're here to help you make your trip a success, so don't hesitate to call upon our team for their assistance.

Get a quote

Send our travel experts a few details about your group then receive a no-obligation quote for your trip.

Promote your trip

Time to spread the word—we can help with posters & presentations to get students & parents on board

Collect deposits

As soon as we have received the holding deposit we can confirm your booking and start organising your trip

Do the paperwork

Complete your risk assessment paperwork with the help of our health & safety resources and safety management system

Pay total

Your next payment is due eight weeks after the deposit and the final balance is due twelve weeks before the trip

Finalise details

A specialist tour coordinator will be in touch to finalise your itinerary and organise your travel documents

Attraction price guide

We've rounded up our top tried & tested attractions so you can customise your school trip itinerary.

Attractions with the £ symbol are paid for in advance by your specialist tour coordinator & you'll receive your tickets for these pre-departure.

Attractions with the € symbol require in-person payment in euros.

Free attractions are labelled **FREE**.

The price for each attraction is based on admission for under 16s. Prices for teachers may vary.

Up to £5 per student

Up to £10 per student

Over £10 per student

*Paid for in advance by our team

Up to €5 per student

Up to €10 per student

Over €10 per student

*Paid for in person by you

**TIME TO
GET INSPIRED**

The image features a vibrant blue background with a sunburst pattern of thin, light blue lines radiating from the center. In the foreground, the text "TIME TO GET INSPIRED" is presented in a bold, stylized font. The words "TIME TO" are in orange, while "GET INSPIRED" is in yellow. The text is set against a black, rounded rectangular background with a white outline, giving it a sticker-like appearance.

Phantasialand

This theme park is a popular choice with teachers as it's a draw to get students on the trip. With six themed areas with rides to suit all ages, this fun-packed day is sure to be a highlight.

£££

Bad Münstereifel

A beautiful old spa town characterised by timber-framed houses, 13th-century walls, and the river Erft ribboning through the centre of the town. Students can visit the quaint shops along the cobbled alleys.

FREE

Monschau

Visit the charming town of Monschau. Attractions here include a toboggan slide, mustard mill, glassworks & historic sawmill. Talk to us about organising a traditional German evening meal.

FREE

Rursee Lake Boat Trip

Pay a visit to this stunning lake where your group can spend an afternoon on a boat trip.

£££

Seilbahn Koblenz

This breathtaking cable car ride transports you across the Rhine & up to Ehrenbreitstein Fortress. Your round-trip ticket includes admission to the fortress with its museum.

£££

Grube Wohlfahrt Mine

Take an underground tour of this 19th century lead mine & learn about life as a miner. Beware! You'll navigate narrow, dark spaces & will need warm clothing & waterproof shoes for this visit.

£££

TOP PICK

Boppard

The best way to see this traditional town is to hop on the mini-train for a 30-minute tour where you'll see its Roman wall, churches and many other historic places of interest.

FREE

Wildlife Park Hellenthal

Deer, wild boar, eagles... they're all to be found here. Learn about the park's conservation efforts and, with informative shows running daily, see these mighty birds of prey in full flight!

£££

Cochemer Sesselbahn

Ride up to one of the most panoramic viewpoints over Cochem, the "Pinner Kreuz", where you can see over the town, river & castle. Explore the walking trails and refuel at the cafés at the top.

€€€

Rheinstein Castle

Take a self-guided tour of this 14th century castle, its grounds and gardens. The castle's turret overlooks the Rhine River and is a fantastic vantage point.

£££

Marksburg Castle

Marksburg Castle is a perfect example of the Rhineland's signature gothic style. It includes a gun battery & torture chamber! Set high on a hill, it boasts spectacular views of the Rhine valley.

£££

St. Rochuskapelle

When visiting this chapel, you can walk in the surrounding vineyards that overlook the Niederwalddenkmal monument and the river Rhine.

FREE

River Cruise

What better way to experience Germany's rivers than to cruise along them? We'll arrange a cruise from the Rhine, Moselle or Cologne to best suit your itinerary. Cruises typically last 60-75 mins.

£££

Siegfried's Mechanical Museum

This quirky little museum contains over 350 examples of mechanised musical instruments. It's something a bit different and could certainly only be found in Germany!

£££

German Sports and Olympic Museum

Learn about the interesting history of German sports with a interesting exhibit detailing the controversies around Berlin's 1936 Olympics. There's even a football pitch on the rooftop!

£££

Cologne Cathedral

A World Heritage Site and renowned as a symbol of German Catholicism, you can enter the cathedral for free. It's also possible to visit the tower and the treasury for a small fee.

FREE

Cologne Chocolate Museum

School kids and chocolate? A match made in heaven! Have your very own Charlie Bucket moment on a guided tour through this chocolate haven, you can even taste the chocolate fountain!
